Dear Ken:

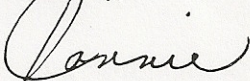

On behalf of the Huntley Area Chamber of Commerce, I would like to thank you for introducing the chamber and its members to Mr. Rex Havens. HE WAS ABSOLUTELY WONDERFUL!

The evening started out with drinks and dinner. There were approximately 100 dinner guests who brought their appetites along with their desire to laugh. And laugh we did. Rex's show touched all of us as we listened to him talk about relationships between men and women. The men in the room related to his comments as well as the women.

I have received and continue to receive positive feedback regarding the evening. People are asking "will the Chamber be doing this again"? Other people have stated they laughed so hard their face hurt. Mostly people are saying, "he (Rex) was really good" and "thanks for making us laugh." "It was a most enjoyable evening."

I have enclosed a picture taken that evening of Rex with my husband and me. We had a great time! It was a fun evening that will be remembered for some time. Thank you again for all you did to help with the success of the evening.

Sincerely,

Connie Swanson, Director
