If your organization is in need of truly an entertaining speaker, Rex Havens is your guy.

Rex spoke to our group of 300 Athletic Directors and guests for an hour and had everyone laughing almost the entire time. He does it easily, clean, and has a great delivery. There were several in our group who wanted to hear him again the next night!

I strongly urge you to consider Rex if your group needs a quality-entertaining speaker.

Sincerely,

Larry Moglestad, President
