Dear Rex:

Hiring entertainment for a conference is one of the toughest decisions to make. I'm so glad we made the right decision in hiring you for our 101'st Annual Convention. Your performance was outstanding and hilarious.

As past chairman of an organization called the National Council of State Telephone Association Executives, I established a speaker/entertainer database to be used among the state telephone associations. I've made sure you are on that list and my colleagues in other states are aware of your talent. Hopefully, you'll hear from a number of them!

Thanks again for making our event memorable.

Sincerely,

David E. Freet

President
